DRAFT

NUCLEAR DECOMMISSIONING CITIZENS ADVISORY PANEL

DRAFT LIST OF POSSIBLE SUBCOMMITTEES

Immediately below is the DRAFT listing of possible NDCAP Subcommittees sent to NDCAP members on 1 June 2017 for any additions, deletions, edits or improvements.

1. Continued PNPS Operations
2. Emergency Preparedness
3. Safety
4. Community Involvement
5. Decon / Safstor
6. PSDAR
7. Economic
8. Government Relations

We received substantial comments on the above listing from NDCAP members. Based upon member comments and recommendations, immediately below are REVISED DRAFT listing of possible NDCAP Subcommittees based upon recent member feedback. This revised listing will be the subject of discussions at the NDCAP meeting on 21 June 2017.

REVISED DRAFT LIST OF POSSIBLE SUBCOMMITTEES

1. Safety & Security, Emergency Preparedness & Environmental Monitoring
2. PNPP Operations, Decommissioning Planning, Activities (PSDAR) & Reporting
3. Decommissioning Finances, Economic Planning & Related Activities/Issues
4. Site Waste Management: Hazardous/Radioactive
5. Site Clean-up & Restoration
6. Decommissioning Oversight, Government Relations & Public Advisories
7. Administration, Community Involvement & Documentation/Reports

Also, depending upon the outcome of discussions on 21 June, members will be asked to indicate their top three priorities of possible subcommittee assignments.
